DECLARATION

1. The present specification is amended herewith by an accompanying Amendment. The Amendment amends the present specification to incorporate by reference a computer program listing appendix, which is stored on two identical compact discs filed concurrently herewith.
2. On the compact discs, the stored appendix file name is Appendix B.txt, which was created on November 7, 2003. The Appendix B.txt file has a size of 375,829 bytes (376,832 bytes on disc). The Appendix B.txt file includes Appendix B, which is a computer program listing.
3. Appendix B was originally filed in hard copy form in the subject application and it's parent patent application 08/649,419, filed May 16, 1996.
4. The present computer program listing appendix (i.e., file Appendix B.txt) consists of the same material as the original Appendix B.
5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
